

## **Anoka Technical College**

### **Student Right-To-Know Graduation and Transfer-Out Rates**

#### **What is Student Right-To-Know?**

Student Right-To-Know is a federal law that requires all colleges and universities to disclose certain information to students. This handout provides the information that a college must provide to students on graduation rates and transfer-out rates for full-time students seeking degrees at Anoka Technical College.

#### **What is a graduation rate and what is a transfer-out rate?**

Federal regulations specify how to calculate the graduation and transfer rates. The rates come from a study of Anoka Technical College students who started at the college in the fall of 2020. The study includes all first-time students who enrolled full-time that fall and were seeking to earn a degree, diploma or certificate at the college. The **graduation rate** is the percentage of these students who graduated from Anoka Tech within three years. The **transfer-out rate** is the percentage of these students who did not graduate from Anoka Tech, but transferred to another college or university within three years.
